This grade is calculated based on the following formula:

$$\frac{Nmax - Nd}{Nmax - Nmin} * 3 + 1$$

It is also possible for you to double-check the conversion of your mark for yourself. Applicants from many countries will find all necessary information for this on the ZAB* website, which can be found via www.anabin.de also home of the KMK**. Please select the country that your certificates were issued in. You will then find the Informationen tab in the left-hand menu, and the Bildungswesen link beneath it. This will take you to general information on the grading systems typically used by schools and universities in your country.
