This grade is calculated based on the following formula:

$$\frac{N_{\max} - N_d}{N_{\max} - N_{\min}} * 3 + 1$$

It is also possible for you to double-check the conversion of your mark for yourself. Applicants from many countries will find all necessary information for this on the ZAB\* website, which can be found via [www.anabin.de](http://www.anabin.de) also home of the KMK\*\*. Please select the country that your certificates were issued in. You will then find the Informationen tab in the left-hand menu, and the Bildungswesen link beneath it. This will take you to general information on the grading systems typically used by schools and universities in your country.
